Re: Sampson, Jeffrey Andrew**January 17, 2024****Page 2**

On January 16, 2024, Mr. Sampson reported to the probation office as directed. A random drug test was collected, which tested presumptive positive for methamphetamine. The sample was sealed in front of Mr. Sampson and sent to Abbott Laboratory for confirmation. As of the submission of this report, results are pending. Mr. Sampson states he does not understand why "it's" (methamphetamine), in his system as he has not been using drugs.

On January 17, 2024, Mr. Sampson made telephone contact with this officer and stated he was "doing some thinking" and had "decided to come clean." He admitted he has been consuming methamphetamine. Mr. Sampson verbally admitted to consuming methamphetamine on or before January 16, 2024. Furthermore, he admitted he consumed methamphetamine prior to his confirmed positive drug test dated January 8, 2024.

The U.S. Probation Office respectfully recommends the Court incorporate the above violation with the violations previously submitted to the Court, and uphold the summons issued on January 2, 2024.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on: January 17, 2024
